MONDA : VIN:NO. JAN. 2, 1859. STARTING THE TOWER CLOCK -The New Year was ushered in at the Philadelphia City Hall by the starting of the big clock in the tower. The big hands on the dials are controlled pneumati-cally by a master clock on the sevents floor of the tower, 250 feet beneath. Tre clock is wound only once a month by a key through an opening to its gass case, afterwards closed with a rubber plug. A telegraph wire runs directly from the United States Naval Observatory at Washington, and any error in the master clock is corrected dily. The dials of the lower clock are by a key through an opening in its situated 368 feet above the pavement, the highest location of any clock dials in the world. Their diameter is twenty-five feet, and they are lighted by electricity automatically. The hands are of copper, weighing 200 pounds earb, and during the year the points of these flogers of time will travel 100 miles. Once every minute the astronomical clock sends au impulse of air to the hand movements above, mov ing through the space of balt a minute. a very feeble pressure, producing the result of keeping the monster hands on

their ceaseless swing. FOUND DEAD IN BED.-Robert Lee Jones was found dead in his bed at Millwood on Saturday. He was in Berryville Friday all day. He reached home about 11 o'clock and retired at 1 a. m. His brother, George Jones, went into the room and found him apparently sleeping quietly, but when at 6 o'clock an attempt was made to waken him it was discovered that he was dead. Deceased was a son of the late Rev. Joseph R. Jones and Courtney B. Jones, of Millwood. He married in 1891 Miss Catherine Boyce, a daughter of Col. U L Boyce, of Clarke county, who lived only about a year, leaving a son, who still lives. Mr. Jones was a lawyer by profession, having practiced at Taylor, Tex. When the war against Spain was declared he enlisted in Company C, Second Virginia regiment, and was mustered out of service a few weeks ago. He was 31 years old.

How to Prevent Pneumonia.

You are perhaps aware that pneu monia always results from a cold or from an attack of la grippe. During the epidemic of la grippe a few years ago when so many cases resulted in pneumonia, it was observed that the attack was never followed by that di sease when Chamberlain's Cough Remedy was used. It counteracts any tendency of a cold or la grippe or re-sult in that dangerous disease. It is the best remedy in the world for bad colds and la grippe. Every bottle war-ranted. Fos sale by J. H.
